EXPERIENCE

Discovery, Inc. (formerly Scripps Networks Interactive)
Jan 2016 - Present

Product Designer, In the Kitchen

- UX and visual design for the Food Network's award-winning iOS recipe app
- Designed and launched In the Kitchen for Android, Apple TV and Fire TV
- Designed personalization and AR features within the app

Product Designer, Genius Kitchen (formerly Food.com)

- Rebranded and redesigned Food.com to become Genius Kitchen
- Worked alongside the development team writing the CSS styles for the site

Sightline Media Group (formerly Gannett Government Media) Sept 2014 - Jan 2016

Product Designer

- Lead designer for Military Waypoint, a new digital application for Military Times. Participated from the very beginning of product development and user research through all aspects of UX, prototyping, user testing and visual design
- Designed and built story packages that combined short and long-term narrative, photos, graphics, video and social media elements
- Designed microsites, infographics, and motion graphics
- Redesigned the Military Times newspapers from weekly publications to modern, clean, magazine-like bi-weekly publications

Tampa Bay Rays (MLB) Feb 2014 - Sept 2016

Graphic Design & Marketing Intern

- Designed campaign materials, stadium signage, ads and social media graphics in a fast-paced environment with daily deadlines

Northern Virginia Magazine Summer 2013

Graphic Design Intern

- Designed layouts, acquired photos and created infographics for the FOB news and entertainment spreads
